23. GENERAL

Nothing herein contained shall constitute CPYI and/or CPYF as trustee for the Client or a partnership between CPYI and/or CPYF and the Client.
- (b) Notwithstanding that CPYI and/or CPYF is acting as the Client's agent in effecting any transaction, CPYI and/or CPYF may, in its absolute discretion, decline to accept instructions for any transaction without giving any reason therefor. CPYI and/or CPYF shall not be liable to the Client for any loss whatsoever arising out of or in connection with its not accepting or acting on such instructions or omitting to give notice of the non-acceptance of any instructions.
- (c) Where the Client is approved by the Broker to engage in margin trading, the Client will be subject to the further terms and conditions set out in Section III – Terms and Conditions for Securities Margin Trading. However, nothing herein requires the Broker to provide such other facilities. Where pursuant to these additional facilities, liabilities arise, then, in addition to any rights which the Broker may have, the Securities held hereunder shall be subject to the charge herein as security or collateral therefor (without the need for any other documentation signed by the Client) and the same applies to all liabilities howsoever arising.
- 23.2 All Securities held for the Client's Account shall be subject to a general lien in the favour of CPYI and/or CPYF (as applicable), for the performance of the Client's obligations to CPYI and/or CPYF (as applicable) arising in respect of dealing in Securities or dealing in Futures Contracts (as the case may be) for the Client.
- 23.3 The Client confirms that he has read the English or Chinese version of these Terms and that the contents of these Terms have been fully explained to him in a language which he understands, and that the Client agrees to these Terms. The Client is aware that in the event of any conflict between any provisions of the English version and the Chinese version of these Terms, the English version prevails. Where the Client has read the Chinese version of these Terms, the Client waives his right to obtain the English version of the same and acknowledges that the English version is available on the website of the CPY Group.
- 23.4 These Terms are governed by, and may be enforced in accordance with, the laws of Hong Kong and the Client hereby irrevocably submits to the exclusive jurisdiction of the courts of Hong Kong. The submission to such jurisdiction shall not (and shall not be construed so as to) limit the right of any member of the CPY Group to take proceedings against the Client in the courts of any other competent

SECTION I – GENERAL TERMS AND CONDITIONS

jurisdiction, nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not.

- 23.5 Any member of the CPY Group with whom the Client holds an Account may amend these Terms by giving the Client not less than 21 days prior notice of the change in writing. Such amendment shall be binding on the Client if the Client continues to maintain the Account on or after the effective date of amendment. The Client is hereby reminded of his right to terminate the Agreement under Paragraph 13 of this Section.
- 23.6 The Client acknowledges that telephone calls between the Client and any member of the CPY Group may be taped or otherwise recorded and agrees that the tape or recording may be used in evidence of the contents of the call.
- 23.7 Where the Client comprises more than one person, the agreements and liabilities of the Client herein contained or implied are joint and several agreements and liabilities of each such person and, as the context may require, words and phrases herein denoting the singular include the plural. Any notice hereunder to any one such person shall be deemed effective notice to all such persons.
- 23.8 These Terms shall be binding on the Client's heirs, executors, administrators, personal representatives, successors and assignees, as the case may be.
- 23.9 The Client hereby undertakes to notify CPYI and/or CPYF in the event of any material change to any of the information (in particular as specified in paragraphs 6.2(a) of the SFC Code) provided in the Account Opening Form. Each relevant member of the CPY Group will notify the Client of material changes in respect of its business which may affect the services any of them provided to the Client (in particular as specified in paragraphs 6.2 (b), (d), (e) and (f) of the SFC Code).
- 23.10 Each of the terms and conditions in these Terms is severable and distinct from the others and if at any time one or more of such provisions is or becomes invalid or unenforceable, the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.
- 23.11 In the event that any member of the CPY Group commits a default as defined in Part XII of the Securities and Futures Ordinance and the Client thereby suffers a pecuniary loss, the Client understands that the right to claim under the Investor Compensation Fund established under Part XII of the Securities and Futures Ordinance will be restricted to the extent provided for therein. Accordingly, there can be no assurance that any pecuniary loss suffered by the Client by reason of such a default will necessarily be recouped from the Investor Compensation Fund in full, in part or at all.

- 24.3 For the purpose of Rule 6 of the Securities and Futures (Client Money) Rules made pursuant to Section 149 of the Securities and Futures Ordinance, the Client hereby agrees that the Broker shall be entitled to retain for its own benefit all sums derived by way of interest on all amounts held in the Cash Account or the Margin Account for or on account of the Client and shall be entitled to pay such sums out of the Cash Account or the Margin Account within one business day after:
- (a) the interest is credited to the Cash Account or Margin Account; or
 - (b) CPYI becomes aware that the interest has been credited to the Cash Account or Margin Account,

27. ENTIRE AGREEMENT

Without prejudice to any additional terms and conditions that are deemed to have been accepted by and binding on the Client, the Account Opening Form and these Terms and the documents referred to therein constitute the entire agreement, and supersedes any previous agreement between the Client and any member of the CPY Group in relation to the subject matter of the Account Opening Form and these Terms Provided That this Paragraph 27 shall not exclude or limit any liability which any party may have in respect of any agreements, representations or warranties made at any time prior to execution of the Account Opening Form in relation to the subject matter of the Account Opening Form and these Terms made or given fraudulently or dishonestly in circumstances where there has been wilful concealment.

SECTION II – TERMS AND CONDITIONS FOR SECURITIES CASH TRADING

This Section is additional and supplemental to the Section headed General Terms and Conditions of these Terms. All transactions and dealing in Securities effected, conducted, carried on and entered into by the Client with and through the Broker for or on the Cash Account, and the Cash Account opened and maintained by the Client with the Broker shall be subject to and upon the terms and conditions of this Section and the Section headed General Terms and Conditions of these Terms. Where any conflict or inconsistency arises between any provision of this Section and any provision of the Section headed General Terms and Conditions of these Terms, the provision of this Section shall prevail.

Words and expressions defined in the Section headed General Terms and Conditions of these Terms shall, except as otherwise re-defined herein or unless there is something in the subject or context inconsistent therewith, have the same meanings when used in this Section.

1. SHORT SELLING FACILITIES

The Client shall notify the Broker when a sale order relates to Securities which the Client does not own (i.e. a short sale).

2. TRANSACTIONS

2.1 Unless otherwise agreed, or unless the Broker is already holding cash or Securities on the Client's behalf to settle a Transaction, the Client will:

- (a) pay the Broker cleared funds or deliver to the Broker Securities in deliverable form; or
- (b) otherwise ensure that the Broker has received such funds or Securities on the due date or by such time as the Broker has notified to the Client in relation to that Transaction.

If the Client fails to do so, the Broker may (in addition to any other rights, powers and remedies), without further notice:

- (i) in the case of a purchase Transaction, sell the purchased Securities; or
- (ii) in the case of a sale Transaction, borrow and/or purchase Securities in order to settle the Transaction;

or, in addition or as an alternative to (i) or (ii) above, the Broker shall have recourse to its rights of combination and set-off as set out in Paragraph 16 of Section I in order to settle the Transaction.

2.2 The Client hereby acknowledges and agrees that the Client will on demand by the Broker indemnify and keep indemnified the Broker against any and all losses, costs, fees and expenses in connection with the Client's failure to meet the Client's obligations by the settlement dates as described above.

2.3 The Client may from time to time instruct the Broker to effect transactions in Securities for the Cash Account, and the Broker shall be entitled but not bound to act on such instructions. The Client may give instructions to effect transactions in Securities or for settlement (including the transfer or withdrawal of funds and/or Securities) orally, in writing or through any electronic means as approved by the Broker from time to time and must quote the Cash Account's name, number or such other forms of identification as the Broker may designate. Where the Broker designates additional terms and conditions (or any amendments thereto) to apply to certain means by which the Client may give such instruction (to such extent as the Broker may designate), such terms and conditions (or amendments) shall be deemed to have been accepted by and binding on the Client if the Client gives any such instructions by such means after being informed of such terms and conditions (or amendments). The Client's instructions shall be irrevocable unless the Broker expressly agrees otherwise and shall only be effective upon actual receipt by the Broker.

2.4 The Client authorises the Broker to instruct overseas brokers and dealers to execute transactions in overseas Securities, and acknowledges that the terms of business of such overseas brokers and dealers shall apply to such transactions, provided that the Broker shall be authorised, subject to applicable laws and rules regarding such transactions, to charge the Client such service fees for arranging such transactions as the Broker shall determine from time to time.

2.5 If any of the Client's instructions to effect transactions in Securities are accepted by the Broker, the Broker shall use reasonable endeavours to execute the transaction in accordance with those instructions. Due to physical or technical restraints and price fluctuations, the Broker may not be able to execute the Client's instructions in full or at the prices quoted at any specific time or "at best" or "at market". The Client hereby agrees to be bound by the outcome when the Client gives any instructions to effect transactions in Securities and the Broker shall incur no liability for failing or being unable to comply with any of the Client's instructions, unless due to its gross negligence or wilful default.

2.6 In the case of a purchase Transaction, if the selling broker fails to deliver on the settlement date and the Broker has to purchase Securities to settle the Transaction, the Client shall not be responsible to the Broker for the costs of such purchase.

3. INTEREST CHARGED

The Client will pay interest on all moneys (including overdue interest) owing to the Broker (after as well as before any judgment), at such rate(s) as demanded by the Broker. Such interest shall be charged from the due date until payment in full is made and shall be payable on the last day of each calendar month or upon any demand being made by the Broker, whichever is earlier. The rate shall, in the case of amounts arising in respect of Transactions on the Stock Exchange, not exceed Hong Kong prime rate (as quoted by The Hongkong and Shanghai Banking Corporation Limited) plus 6 per cent, or the cost of funds to the Broker (i.e. the interest rate charged by the Broker's bankers), whichever is higher. For all other amounts, the rate shall be such percentage over the cost of funds to the Broker in respect of the relevant amounts as the Broker may notify the Client from time to time.

4. NO REPRESENTATION OR WARRANTY

SECTION II – TERMS AND CONDITIONS FOR SECURITIES CASH TRADING

Unless the Broker otherwise agrees in writing to the contrary, the Broker is not obliged to make or imply nor does it make or imply any representation or warranty as to the value, merit or suitability for the Client of any Securities purchased by the Client.

5. CASH HELD FOR THE CLIENT

Any cash held for the Client in respect of the Cash Account, other than cash received by the Broker in respect of Transactions and which is on-paid for settlement purposes or to the Client, or for other proper charges under these Terms or any other applicable rules and laws, shall be credited to a client trust account maintained with a licensed bank as required by applicable laws from time to time.

SECTION III – TERMS AND CONDITIONS FOR SECURITIES MARGIN TRADING

This Section is additional and supplemental to the Section headed General Terms and Conditions of these Terms. All transactions and dealing in Securities effected, conducted, carried on and entered into by the Client with and through the Broker for or on the Margin Account, and the Margin Account opened and maintained by the Client with the Broker shall be subject to and upon the terms and conditions of this Section and the Section headed General Terms and Conditions of these Terms. Where any conflict or inconsistency arises between any provision of this Section and any provision of the Section headed General Terms and Conditions of these Terms, the provision of this Section shall prevail.

1. DEFINITIONS

1.1 Words and expressions defined in the Section headed General Terms and Conditions of these Terms shall, except as otherwise re-defined herein or unless there is something in the subject or context inconsistent therewith, have the same meanings when used in this Section.

1.2 In this Section, unless the context requires otherwise, the following words and expressions shall have the following meanings:

“**Charge**” means the charge over the Collateral constituted by Paragraph 6.1;

“**Collateral**” means such monies or assets of the Client charged to the Broker as continuing security for the Credit Facilities granted by the Broker and for performance of all obligations of the Client to the Broker from time to time hereunder including, without limitation, the Charged Securities (as defined in Paragraph 6.1); and

“**Credit Facilities**” means all or any of the credit facilities agreed to be made available or granted from time to time by the Broker to the Client, including all amounts debited to the Margin Account in accordance with these Terms.

2. SHORT SELLING FACILITIES

The Client hereby undertakes to inform the Broker when a sell order is in respect of Securities which the Client does not own (i.e. a short sale).

3. TRANSACTIONS

3.1 The Client may from time to time instruct the Broker to effect transactions in Securities for the Margin Account, and the Broker shall be entitled but not bound to act on such instructions. The Client may give instructions to effect transactions in Securities or for settlement (including the transfer or withdrawal of funds and/or Securities) orally, in writing or through any electronic means as approved by the Broker from time to time and must quote the Margin Account’s name, number or such other forms of identification as the Broker may designate. Where the Broker designates additional terms and conditions (or any amendments thereto) to apply to certain means by which the Client may give such instruction (to such extent as the Broker may designate), such terms and conditions (or amendments) shall be deemed to have been accepted by and binding on the Client if the Client gives any such instructions by such means after being informed of such terms and conditions (or amendments). The Client’s instructions shall be irrevocable unless the Broker expressly agrees otherwise and shall only be effective upon actual receipt by the Broker.

3.2 Unless otherwise agreed between the Client and the Broker, the Client agrees that when the Broker has executed a purchase or sale Transaction on the Client’s behalf, the Client will by the due settlement date make payment to the Broker against delivery of or credit to the Client’s Margin Account for purchased Securities, or make good delivery of sold Securities to the Broker against payment, as the case may be.

3.3 Unless otherwise agreed between the Client and the Broker, the Client agrees that should the Client fail to make such payment or good delivery of Securities by the due date under Paragraph 3.2, the Broker is hereby authorised to:

(a) in the case of a purchase Transaction, transfer or sell any such purchased Securities to satisfy the Client’s obligations to the Broker; or

(b) in the case of a sale Transaction, borrow and/or purchase such sold Securities to satisfy the Client’s obligations to the Broker.

3.4 The Client hereby acknowledges and agrees that the Client will on demand by the Broker indemnify and keep indemnified the Broker against any and all losses, costs, fees and expenses in connection with the Client’s failure to meet the Client’s obligations by the settlement dates as described above.

3.5 Notwithstanding the other provisions herein, in the event that the Broker has to obtain Securities, which the Broker has purchased on behalf of the Client, in the open market following the failure of the selling broker to deliver on the settlement date, the Client shall not be responsible to the Broker for the costs of such purchase.

3.6 The Client authorises the Broker to instruct overseas brokers and dealers to execute transactions in overseas Securities, and acknowledges that the terms of business of such overseas brokers and dealers shall apply to such transactions, provided that the Broker shall be authorised, subject to applicable laws and rules regarding such transactions, to charge the Client such service fees for arranging such transactions as the Broker shall determine from time to time.

3.7 If any of the Client’s instructions to effect transactions in Securities are accepted by the Broker, the Broker shall use reasonable endeavours to execute the transactions in accordance with those instructions. Due to physical or technical restraints and price fluctuations, the Broker may not be able to execute the Client’s instructions in full or at the prices quoted at any specific time or “at best” or “at market”. The Client hereby agrees to be bound by the outcome when the Client gives any instructions to effect transactions in Securities and the Broker shall incur no liability for failing or being unable to comply with any of the Client’s instructions, unless due to its gross negligence or wilful default.

SECTION III – TERMS AND CONDITIONS FOR SECURITIES MARGIN TRADING

4. CREDIT FACILITIES

- 4.1 The Client shall be granted Credit Facilities from the Broker up to a maximum aggregate principal amount determined by the Broker in its sole discretion and notified to the Client from time to time. The Client shall from time to time ensure that the debit balance outstanding in his account shall not be greater than the Credit Facilities granted to him.
- 4.2 The Client shall on demand from the Broker make payments of deposits or margins in cash, Securities or otherwise in amounts as determined by the Broker or which may be required by the rules of any exchange or market of which the Broker is a member. Without prejudice to other rights that the Broker may have under these Terms, the Broker may decline to accept any instruction to effect transactions in Securities for the Margin Account without any notice to the Client unless and until the foregoing is duly performed by the Client.
- 4.3 Failure to comply with Paragraph 4.2 above shall constitute a default under these Terms and the Broker will, without prejudice to any other rights under these Terms or in law, have the right, and without notice or demand, to terminate the Credit Facilities, close the Margin Account, dispose of the Securities and/or Collateral, cancel the Client's open orders for transactions and/or borrow or buy any Securities required for delivery in respect of any transaction effected for the Client. The proceeds of such transactions shall be applied to reduce the liabilities incurred herein and any outstanding liabilities shall be immediately due and payable by the Client to the Broker.
- 4.4 For the avoidance of doubt, the Client hereby expressly acknowledges that where any liabilities arise pursuant to the Margin Account, then the Securities held by the Broker under these Terms shall be subject to the charge set out in these Terms as security or collateral therefor (without the need for any other documentation signed by the Client) and the same applies to all liabilities howsoever arising herein.
- 4.5 The Client hereby irrevocably authorises and instructs the Broker, at any time without prior notice to the Client, to debit the Margin Account with:
- (a) all advances under the Credit Facilities required by the Broker for purchasing Securities on the Client's behalf in accordance with the terms hereof;
 - (b) all transactions, brokerage commissions and custodian fees and all other monies and sums payable to the Broker from time to time under these Terms; and
 - (c) all other fees, levies, charges, disbursements, taxes and out-of-pocket expenses which the Broker may incur on the Client's behalf whether in connection with the purchase or sale of Securities or otherwise pursuant to these Terms.
- 4.6 For so long as there exists any amount outstanding to the Broker under the Margin Account, the Broker shall be entitled at any time and from time to time to refuse any withdrawal of any or all of the monies in the Margin Account and/or Securities held by the Broker.
- 4.7 In general, the Broker has different maximum margin financing ratios for different kinds of Securities. However, the margin financing ratio of each particular Security is subject to change at the sole discretion of the Broker without prior notice to the Client.

5. CASH HELD FOR THE CLIENT

Any cash held for the Client in connection with the Margin Account, other than cash received by the Broker in respect of Transactions and which is on paid for settlement purposes or which is used to reduce any outstanding balance in the Margin Account or any other Accounts or paid to the Client in accordance with his instructions, shall be credited to a client trust account maintained with a licensed bank as required by applicable laws from time to time.

6. CHARGE

- 6.1 In consideration of the Broker granting or continuing to make available the Credit Facilities to the Client, the Client, as beneficial owner hereby charges, assigns, releases and pledges to the Broker as continuing security for the punctual payment to the Broker on the respective due dates of all amounts outstanding under the Credit Facilities and all other moneys and sums due or owing from the Client to the Broker from time to time pursuant to these Terms (collectively, the "**Liabilities**"):
- (a) all his rights, title and interest in and to the Securities (together with all rights and benefits attaching thereto and accruing thereon) which shall at any time hereafter and from time to time be purchased or held by the Broker or its nominees for or on account of the Client pursuant to the terms hereof, together with all dividends or interest paid or payable on or in respect of any of such Securities and all accretions thereto by way of bonus, distributions, options, rights or otherwise howsoever accruing or offered at any time hereafter (collectively the "**Charged Securities**"); and
 - (b) all and any funds standing to the credit of the Margin Account and all funds held by the Broker for or on account of the Client from time to time.
- 6.2 The Client hereby represents and warrants to the Broker that for so long as any sums are owing by the Client to the Broker:
- (a) the Client has and will maintain unencumbered an absolute beneficial and legal title to the Charged Securities (subject only to the Charge);
 - (b) the Client shall deposit with the Broker, or to its order, all certificates, instruments and evidence of title to the Charged Securities, together, where appropriate, with all such necessary forms of transfer as the Broker may from time to time require; and

SECTION III – TERMS AND CONDITIONS FOR SECURITIES MARGIN TRADING

- (c) the Client shall execute and deliver such further assignments, charges, authorities and other documents as the Broker may from time to time require for perfecting its title to or for vesting or enabling the Broker to vest the full benefit of the Collateral in its favour.
- 6.3 If at any time the "**Acceptable Value**" of Securities, which for the purposes of these Terms shall mean the discounted market value of the Collateral (to be determined by the Broker at its discretion), shall be less than the total debit balance outstanding in the Margin Account, the Client shall forthwith transfer or otherwise deposit with the Broker additional Securities to be charged in favour of the Broker pursuant to the terms hereof to form part of the Charged Securities or, alternatively, deposit cash in the Margin Account to reduce the aggregate amount outstanding under the Credit Facilities to such a level that the Acceptable Value of Securities is equal to or more than such total debit balance.
- 6.4 If the Client fails to comply with any demand by the Broker for payment of any Liabilities, fails to pay any or all of the Liabilities when due, fails to perform any of its obligations under these Terms, is in breach of any of the terms or conditions of these Terms or is dissolved, or on the occurrence of any of the Events of Default referred to in the Section headed General Terms and Conditions, then:-
- (a) the Charge shall be immediately enforceable; and
- (b) the Broker (or where appropriate the Broker's nominee) may, without notice to the Client:-
- (i) appropriate, transfer or set-off the whole or any part of any monies comprised in the Charged Securities in or towards payment or discharge of any of the Liabilities; and/or
- (ii) sell or dispose of the Charged Securities or any part thereof either together or in parcels or in such other manner and for such consideration (whether payable or deliverable immediately or by installments) as the Broker may think fit.
- 6.5 The Broker and the Broker's nominee shall not be in any way responsible for any loss occasioned by any action taken pursuant to Paragraph 6.4, howsoever such loss may have been caused or arisen, and whether or not a better price could or might have been obtained on such action, by either deferring or advancing the date of taking such action.
- 6.6 Without prejudice to the generality of Paragraph 6.4, the Broker (or, where appropriate, the Broker's nominee) shall be entitled to appropriate to the Broker or sell or dispose of the Charged Securities or any part thereof at the current market price thereof to any subsidiary, affiliated or associated company of the Broker without being:-
- (a) in any way responsible for any loss occasioned thereby howsoever arising; and
- (b) accountable for any profit made by the Broker (or, where appropriate, the Broker's nominee as its agent) and/or any subsidiary, affiliated or associated company of the Broker;
- and the same shall not be treated as an absolute appropriation of or foreclosure on the Charged Securities to the exclusion of the Client and in extinguishment of its interests therein, unless the Broker shall otherwise notify the Client (whether before or after the relevant appropriation or foreclosure has been effected), in which latter event any such appropriation or foreclosure shall be treated as a sale of the Charged Securities at a fair market value and the Liabilities shall be reduced by an equivalent amount.
- 6.7 If there is any deficiency arising after the sale or disposal of Charged Securities, the Client hereby undertakes to make good and pay on demand to the Broker such deficiency.
- 6.8 The amounts realised by the exercise or enforcement of the Charge shall be applied against the Liabilities in such order of priority as the Broker may in its absolute discretion determine.
- 6.9 The Charge shall be a continuing security notwithstanding any intermediate payment or settlement of account or satisfaction of the whole or any part of the Liabilities. Without prejudice to the foregoing, the Charge shall subsist and continue to have full force and effect after the termination of these Terms until the Client has fully discharged all Liabilities.
- 6.10 The Charge shall be in addition to and shall not affect or be affected by any other encumbrance, guarantee or indemnity which the Broker may now or in the future hold or take in respect of the Liabilities and may be enforced by the Broker without prior recourse to any such other encumbrance guarantee or indemnity.
- 6.11 Any monies realised pursuant to the Charge may be placed and kept to the credit of a suspense account for so long as the Broker or its nominee may in its absolute discretion determine without any obligation in the meantime to apply the same or any part thereof in or towards discharge of the Liabilities.
- 6.12 The Charge shall not be discharged by any amendment or variation to these Terms or by the dissolution or insolvency of the Client. Where the Client is a firm and there is a dissolution, the Charge shall apply to all indebtedness incurred in the firm's name until receipt of actual notice of dissolution and, if the dissolution is by reason only of the introduction of one or more partners, the Charge shall continue and, in addition to the debts and liabilities of the firm then dissolved, the Charge shall apply to the firm constituted with new partners as if there had been no change in the firm.
- 6.13 The Client covenants with the Broker that it will not create or permit to subsist any encumbrance (other than any encumbrance arising by operation of law) over any Charged Securities or the Securities Account or dispose of any Charged Securities, other than as provided for in these Terms.
- 7. CLIENT CONSENT TO LEND SECURITIES**
- 7.1 The Broker hereby notifies the Client that the Broker has the practice of repledging Securities collateral provided to the Broker by its customers to other financial institutions as collateral or security for financial accommodation or facilities provided to the Broker. The

SECTION III – TERMS AND CONDITIONS FOR SECURITIES MARGIN TRADING

Broker will comply with all the applicable laws and regulatory requirements imposed on the Broker in respect of repledging of Securities collateral carried out by the Broker.

- 7.2 The Client hereby gives consent to the Broker to lend or deposit as security for any loans or advances made to the Broker, or otherwise part possession for any purpose any Securities owned by the Client held in the Margin Account.
- 7.3 The Client agrees that the consent under Paragraph 7.2 above shall be for a period of 12 months and either: (a) may be renewed by the Client's written consent on the anniversary of the date on which such consent was granted; or (b) will be deemed to be renewed automatically (i.e. without the Client's written consent) if any member of the CPY Group issues the Client a reminder at least 14 days prior to the expiry of the authority, and the Client does not object to such deemed renewal before the expiry date of the Client's then existing authority, in each instance for a further 12 months.

8. INTEREST CHARGED

The Client will pay interest on all moneys (including overdue interest) owing to the Broker (after as well as before any judgement), at such rate(s) as demanded by the Broker. Such interest shall be charged on the due date until payment in full is made and shall be payable on the last day of each calendar month or upon any demand being made by the Broker, whichever is the earlier. In such event, CPYF will notify the Client accordingly, but CPYF shall not in any circumstances whatsoever be liable in any way for any losses, loss of profits or gains, damages, liabilities, costs or expenses suffered or incurred by the Client howsoever arising out of or in connection with CPYF declining to act on the Client's instructions or omitting so to notify the Client.

2.4 The Client acknowledges and agrees that general market conditions and the nature of trading in Futures/Options Contracts or the physical restraints on the Futures Exchange may make it impossible or impracticable for CPYF to carry out his instructions, or to conclude a transaction on behalf of the Client at the prices quoted by the Client at any specific time. CPYF shall not be under any obligations or liabilities whatsoever in respect of any delay or failure to enter into Futures/Options Contracts as specified in the Client's instructions.

2.5 The Client acknowledges and agrees that, without prior notice from CPYF, when CPYF executes an instruction on behalf of the Client to purchase or sell Futures/Options Contracts, CPYF, CPYF's directors, officers, employees and agents may execute such instruction for an account in which any such person has a direct or indirect interest, subject to the limitations and conditions, if any, contained in the

- 2.7 CPYF shall be entitled to rely on any instructions, directions, notices or other communication given or purported to be given by the Client and the Client shall be bound by all such communications. The Client agrees to indemnify CPYF and hold CPYF harmless from and against all losses, costs and expenses (including legal costs on full indemnity basis) suffered or incurred by CPYF in reliance thereupon.
- 2.8 After any Futures/Options Contract has been entered into by CPYF on behalf of the Client, CPYF will notify the Client of the details of such Futures/Options Contract in such form, containing such details and provided to the Client within such time limit as CPYF may determine.

- 2.10 Any day order for the purchase or sale of the commodities placed by CPYF at the request of the Client that has not been executed in full before the close of business of the Futures Exchange or such other expiration date required by the Futures Exchange or such other later time as the Client and CPYF may agree shall be deemed to have been cancelled automatically (to the extent not executed if executed in part).
- 2.11 The Client acknowledges that due to the trading practices of the Futures Exchange in which transactions are executed, it may not always be able to execute orders at the prices quoted "at best" or "at market" and the Client agrees in any event to be bound by transactions executed by CPYF following instructions given by the Client and that CPYF shall not be under any liability for any loss incurred as a result of transactions which take place in the circumstances contemplated in this Paragraph 2.11.
- 2.12 CPYF shall have no obligation to provide the Client with information with respect to any position of the Client and (except as directed by the Client) no obligation to but shall have the right set out in this Section to close any position in any Account CPYF may carry on behalf of the Client.

Such sale or purchase may be public or private and may be made without advertising or notice to the Client and in such manner as CPYF may purchase the Commodities or other properties free of any right of redemption. The Client agrees that in respect of such sale, CPYF shall have no liability for any loss and damage thereby incurred and without prejudice to the foregoing, the Client will not make any claim against CPYF concerning the manner of sale or time thereof. The proceeds of such transactions are to be applied to reduce the indebtedness of the Client to CPYF, if any.
- 2.14 The Client accepts that each Futures/Options Contract transacted by CPYF on the instructions of the Client contemplates actual performance in accordance with its terms and, as between the Client and CPYF, shall be deemed to contain obligations on the Client and CPYF to make settlement of such Futures/Options Contract and/or to take or make delivery of the commodity (if physical delivery is possible) the subject matter of such Futures/Options Contract, as the case may be.
- 2.15 If the Client fails to provide CPYF with instructions to close out any Futures/Options Contract or deliver to CPYF all monies, Securities, financial instruments, documents and other properties deliverable by the Client under such Futures/Options Contract in order to enable due settlement of the same by CPYF in accordance with the rules of the Futures Exchange or Clearing House, CPYF may without notice to the Client either close out such Futures/Options Contract or take or make delivery of the relevant Commodity on behalf of the Client upon such terms and by such methods as CPYF may in its absolute discretion determine. - 2.16 In case of the sale of any commodity or other properties by CPYF at the direction of the Client and the inability of CPYF to deliver the same to the purchaser by reason of the Client's failure to supply CPYF therewith, then and in such event, the Client authorises CPYF to buy or borrow any commodity or other properties necessary to make delivery thereof, and the Client hereby agrees to guarantee and hold CPYF harmless against any loss and damage which CPYF may sustain thereby, any premiums which CPYF may be required to pay and for any loss which CPYF may sustain by reason of the inability of CPYF to buy or borrow the relevant commodity or other properties sold.
- 2.17 The Client shall forthwith upon request by CPYF supply to CPYF in relation to any Futures/Options Contract entered into by CPYF on behalf of the Client such information in relation to the settlement, delivery and/or (in the case of an Options Contract) exercise of any such Futures/Options Contract which has not been closed out, or as the case may be, exercised, as CPYF may request.
- 2.18 The Client shall be entitled, but CPYF shall not be bound to act on any instruction from the Client, to take any action whatsoever or howsoever against any futures exchange, Clearing House and/or any other person in respect of any failure by such futures exchange, Clearing House and/or other person to make any payment or to deliver any commodity in respect of any Futures/Options Contract entered into by CPYF on behalf of the Client provided that if any such action is taken by CPYF, the Client shall fully indemnify CPYF in respect of all costs, claims, demands, damages and expenses arising out of or in connection with the taking of such action.

3. FUTURES MARGIN

- 3.1 The Client hereby agrees to maintain such Futures Margin and meet immediately on demand all Futures Margin calls and/or demands for variation adjustment thereto and provide CPYF with such guarantees and other security in such amount, form and within such time and on such terms as CPYF may from time to time designate in relation to the Futures Account. The Client acknowledges and agrees that CPYF may be required to report to the Futures Exchange, other relevant exchanges, the SFC and/or other relevant regulatory bodies particulars of all open positions in respect of which two successive Futures Margin calls and/or demands for variation adjustment are not met within the period specified by CPYF from time to time and notified to the Client. Further, CPYF may require additional Futures Margin or variation adjustment other than that specified by the Futures Exchange, other relevant exchanges and/or the Clearing House and may close out open positions in respect of which any Futures Margin calls and/or demands for variation adjustment are not met.
- 3.2 The Client shall immediately upon demand by CPYF provide CPYF with such additional Futures Margin as CPYF may determine and require from time to time. No previous Futures Margin requirement shall limit CPYF's right to vary Futures Margin requirements at any later time and changes in Futures Margin requirements (increase or decrease) will apply to existing Futures/Options Contracts as well as those entered into after the date of such changes. Any failure by the Client to meet immediately on demand any Futures Margin calls shall entitle CPYF to refuse to execute the Client's instructions, close out any or all open Futures/Options Contracts of the Client. Futures Margin required by CPYF may exceed the margin requirements prescribed by the Futures Exchange or the Clearing House.
- 3.3 The Client shall be liable for any consequence arising from or in connection with his failure to meet immediately on demand any calls for Futures Margin, additional Futures Margin and/or demands for variation adjustment.
- 3.4 Without prejudice and in addition to any other rights and remedies of CPYF hereunder, the Client hereby irrevocably authorises CPYF, without prior notice to the Client, to apply all or any part of any monies or other property held for the account of the Client by CPYF in any account of any nature whatsoever including, without limitation, the Futures Account:
- (a) in or towards the provision of any Futures Margin or additional Futures Margin required by CPYF pursuant to Paragraphs 3.1 and 3.2 of this Section; and/or
 - (b) in or towards satisfaction of any obligations or liabilities of CPYF to any person insofar as such obligations or liabilities arise in connection with or incidental to any Futures/Options Contracts entered into by CPYF for and on behalf of the Client; and/or
 - (c) in or towards payment of monies properly required to meet commissions, brokerages, levies or other proper charges and fees relating to any Futures/Options Contracts entered into by CPYF for and on behalf of the Client,

notwithstanding that any such applications may result in the Client being required by CPYF to provide additional Futures Margin.

4. OPERATION OF ACCOUNT AND SETTLEMENT

- 4.1 The Client hereby agrees to pay immediately on demand any amount owing with respect to the Futures Account. Against a position in any Futures/Options Contract, prior to the maturity thereof, the Client will give CPYF instructions to cover or furnish CPYF with all necessary delivery documents, and in default thereof, CPYF may without demand or notice to the Client, cover the liability in the manner deemed most appropriate by CPYF, or if an instruction cannot be executed under prevailing market conditions, CPYF may take any other action as it shall deem appropriate. The Client understands that he will be responsible for all costs or expenses incurred or suffered by CPYF in connection with the above and that CPYF will not be liable for any losses or liabilities thereby incurred.
- 4.2 The Client hereby agrees that he shall be liable for all losses and liabilities whether or not the Futures Account is liquidated and for any debts and deficiencies in the Futures Account including all debts and deficiencies resulting from a liquidation of the Futures Account.
- 4.3 Subject to Paragraph 4.7, in respect of each open Futures/Options Contract for the Futures Account which remains subsisting on the maturity date for settlement, CPYF and the Client shall each have an obligation to make or take delivery (as the case may be) of the commodity the subject matter of the Futures/Options Contract on the maturity date, provided that where, according to the rules of the Futures Exchange and/or Clearing House and/or the relevant exchange and/or clearing house, the outstanding obligations of the buyer and seller of an open Futures/Options Contract shall be satisfied solely by cash settlement based on a difference in price or value, CPYF or the Client (as the case may be) shall settle the open Futures/Options Contract by paying the relevant difference to the other on the maturity date of the relevant Futures/Options Contract. The Client shall take all necessary actions to enable CPYF to effect due settlement of each open Futures/Options Contract on behalf of the Client in accordance with the rules, regulations and requirements of the Futures Exchange and/or Clearing House and/or the relevant exchange and/or clearing house and/or market.
- 4.4 Subject to the terms of this Section and to the rules, regulations and requirements of the Futures Exchange and/or Clearing House and/or the relevant exchange and/or clearing house and/or market, the Client may, at any time before the last trading day of the Futures/Options Contract, request CPYF to close out the same. Any amount payable by the Client arising out of the closing out of any Futures/Options Contract shall become immediately due and payable to CPYF upon closing out.
- 4.5 CPYF may, for the purpose of carrying out any instruction given by the Client, contract with or otherwise deal with or through any other agent, including any person or party associated in any manner with CPYF or any Associate, on such terms and conditions as CPYF may in its absolute discretion determine. CPYF shall not be liable to the Client for the acts and omissions of any such agent.
- 4.6 If any relevant Exchange, Clearing House and/or agent on which or through whom any Contract has been entered into by CPYF on behalf of the Client requires any alteration in any terms and conditions of any such Contract, CPYF may take such actions on behalf of the Client as CPYF may in its absolute discretion consider necessary or desirable to comply therewith or as a result thereof or mitigate loss thereunder, and all such actions shall be binding upon the Client.

SECTION V – TERMS AND CONDITIONS FOR COMMODITIES FUTURES TRADING

- 4.7 If CPYF shall for any reason whatsoever fail to receive payment of any part of any amount or to receive delivery of any part of any quantity of any commodity due to be paid or delivered to the Client in respect of any Futures/Options Contract entered into by CPYF for and on behalf of the Client on the due date for payment or delivery thereof in accordance with the rules and regulations of the Futures Exchange and/or Clearing House and/or the relevant exchange and/or clearing house, CPYF's obligations to make payment or to deliver any commodity to the Client in respect of such Futures/Options Contract shall thereupon and by virtue of such failure become obligations to make payment of such amount or delivery of such quantity of such commodity as is equal to such payment or such quantity as is actually received by CPYF in respect thereof.
- 4.8 CPYF may in its absolute discretion take any actions whatsoever against any exchange, clearing house and/or any other person in respect of any failure by such exchange, clearing house and/or other person to make any payment or to deliver any amount of any commodity in respect of any Futures/Options Contract referred to in Paragraph 4.7, provided that if any such action is taken by CPYF, the Client shall fully indemnify CPYF on demand in respect of all costs and expenses incurred by CPYF in connection with the taking of such actions.
- 4.9 Any statement or confirmation signed by any authorised signatory of CPYF stating the price or value at which any Futures/Options Contract is entered into or closed out, or the exchange rate applicable in any currency conversion, or the amount owing by the Client to CPYF at any given time, shall (unless and until the contrary is established) be binding on the Client as to the particulars stated.

5. **SECURITY AND RIGHT OVER ACCOUNT**

- 5.1 Without prejudice and in addition to any general lien, right of set-off or similar right to which CPYF may be entitled by law, all of the Client's interest in any monies, Futures/Options Contracts, or other property in the possession or control of CPYF or the Associated Company, or standing to the credit of the Futures Account (either individually or jointly with others) at any time and for any purpose including, without limitation, safe-keeping, collection or otherwise, shall be subject to a general lien in favour of CPYF. CPYF shall have the right to sell such property (and CPYF is hereby authorised by the Client to do all such things and acts and execute all such documents and deeds as may be necessary in connection with such sale) and utilise the proceeds to set-off and discharge all or any of the liabilities and obligations of the Client due or owing to CPYF under this Section.
- 5.2 Until all the Client's liabilities (actual or contingent, present or future, joint or several) owing to CPYF are fully discharged, the Client shall not be permitted to make any withdrawal or transfer from the Futures Account, or demand repayment of or otherwise deal with any balance standing to the credit of the Client in the Futures Account or any monies or other property deposited as Futures Margin, and CPYF shall not be required to repay any such amount, except that the Client may make such withdrawals or transfers from the Futures Margin or the Futures Account which will not directly or indirectly reduce the value of the Futures Margin below the amount of Futures Margin for the time being required for the Futures Account as CPYF may designate.
- 5.3 Until all of the Client's liabilities to CPYF howsoever incurred have been fully discharged, the Client shall have no right to make or permit any assignment, charge, mortgage or other encumbrance to arise or subsist in respect of the Futures Margin or any amount which may at any time be standing to his credit in the Futures Account.
- 5.4 The Client hereby irrevocably and unconditionally acknowledges and warrants to CPYF, with the intent that this warranty shall apply on a continuing basis, that the Client is the sole beneficial owner of the Futures Margin free from any mortgage, pledge, charge, lien or any other form of encumbrance or security interest of any kind whatsoever and howsoever arising on or over the Futures Margin.
- 5.5 Without prejudice to and in addition to Paragraph 5.1, the Client as beneficial owner hereby charges in favour of CPYF or its Associated Company by way of first fixed charge all Securities, commodities or other property, including the Futures Margin, from time to time deposited by or on behalf of the Client with CPYF or purchased for or otherwise being held in or by or under the order or control of CPYF for any Futures Account or any other account whatsoever (collectively the "**Charged Property**") as continuing security for all of the Client's indebtedness, obligations and liabilities due, owing or incurred towards CPYF and its Associated Company of whatever nature and from time to time and the Client hereby assigns and releases to CPYF and its Associated Company the Charged Property. In the event of the occurrence of any event of default specified in in Paragraph 8.1, CPYF shall be entitled to sell, or as the case may be, the relevant Associated Company shall be entitled to direct CPYF to sell, at the absolute discretion of the relevant company as to manner and time of sale and consideration and other terms and conditions (but without being in any way responsible or liable for any loss and damage occasioned thereby and howsoever arising), any of the Charged Property and to deduct from the sale proceeds such amount as is necessary to pay, discharge and satisfy the liabilities, indebtedness due and owing to CPYF and the relevant Associated Company, whether such obligations and liabilities are present or future, actual or contingent, primary or collateral, secured or unsecured, or joint or several.
- 5.6 CPYF shall be entitled, for itself or as agent for any Associated Company, notwithstanding any settlement of account or other matter whatsoever, at any time or from time to time and without notice to the Client, to combine and/or consolidate all or any of the accounts of the Client (including the Futures Account) with CPYF and any Associated Company (of whatever nature and whether held individually or jointly with others) and offset or transfer any money, Securities or other property standing to the credit of any one or more of such accounts in or towards satisfaction of any of the Client's indebtedness, obligations or liabilities to CPYF and/or any Associated Company, on any other accounts (including the Futures Account), whether such indebtedness, obligations or liabilities be present or future, actual or contingent, primary or collateral, several or joint and secured or unsecured. Where such set-off, consolidation, combination or transfer requires the conversion of one currency into another, such conversion shall be calculated at the rate of exchange conclusively determined by CPYF to be applicable.
- 5.7 In light that CPYF is an exchange participant of Futures Exchange and should therefore segregate the Clients' Futures Exchange Trade ledger accounts and Non- Futures Exchange Trade ledger accounts and any other ledger accounts so that, except by actual cash payments or approved debt securities transfers, credit balances on any given type of trade account may not be used to offset debit balances, or to meet margin requirements or demands for variation adjustment on any other type of trade account, the Client hereby irrevocably authorize and approve CPYF to effect for any cash payments or debt securities transfers so that credit balances on any given type of trade account of the Client could be used to offset debit balances, or to meet margin requirements or demands for variation adjustment on any other type of trade account of the Client. In this regard, the Client irrevocably agrees and acknowledges that where any such cash payments or debt securities transfers require the conversion of one currency into another, the same is approved of and agreed to by the Client and that such conversion shall be calculated at the rate of exchange conclusively determined by CPYF to be applicable.

SECTION V – TERMS AND CONDITIONS FOR COMMODITIES FUTURES TRADING

5.8 For the purpose of this Section, a certificate issued by CPYF or any Associated Company certifying the amount of outstanding indebtedness due to it at any time shall, save for manifest error, be final, conclusive and binding on the Client.

5.9 The provisions of this Paragraph 5 shall be without prejudice to any rights to which CPYF may be entitled to by law.

6.5 No payment to CPYF, whether under any judgment or order of court or otherwise, shall discharge the Client's liabilities or obligations to CPYF until CPYF has received unconditional and irrevocable payment in full in the relevant currency. To the extent that the amount of any such payment shall, on actual conversion into the relevant currency, fall short of such obligations or liabilities expressed in the relevant currency, the Client shall indemnify CPYF fully on demand for the amount of the shortfall.

7. COMMISSION AND EXPENSES

7.1 The Client shall pay to CPYF such remuneration, commissions, brokerages and any other fees and charges as may be specified by CPYF from time to time and notified to the Client in respect of any services provided by CPYF under this Section or such other services as may be agreed with the Client. These may be changed by CPYF at any time by notice to the Client.

- (b) the Client fails to make payment in respect of any loan, guarantee, indemnity or other indebtedness or obligation for borrowed money on the due date for payment, or any such loan, guarantee, indemnity or other indebtedness or obligation for borrowed money becomes, or is declared, or becomes capable of being declared, due prematurely for any reason;

- (e) where the Client dies or is declared incompetent or incapable;
- (f) it shall become unlawful for the Client to maintain the Futures Account or to perform any of his obligations under this Section, or any authorisation, consent, approval or licence necessary for the Client to continue the Futures Account or to perform any of his obligations under this Section shall be revoked or otherwise cease to be effective;
- (g) there occurs a material adverse change in the business, assets or general condition of the Client which, in the opinion of CPYF, may adversely affect the due performance by the Client of his obligations under this Section;

SECTION V – TERMS AND CONDITIONS FOR COMMODITIES FUTURES TRADING

- (i) a petition is presented or a resolution passed for the winding-up, dissolution or bankruptcy of the Client, or for the appointment of a receiver, administrator, liquidator or similar official, or for any other relief under any bankruptcy or insolvency law.
 - (j) any security created or any part thereof in relation to the indebtedness, obligations or liabilities under the Agreement being avoided, discontinued, jeopardised or adversely affected, or there is any action commenced or any claim made by any person in respect of any asset or property comprised in such security, or such assets and properties deteriorate, decline or depreciate in the market value thereof ;
 - (k) the occurrence of any event which, in the sole opinion of CPYF, might jeopardize any of its rights, interests or benefits of CPYF under the Agreement; or
 - (l) whenever in CPYF's sole discretion CPYF shall consider it necessary for the protection of CPYF or any Associated Company, because of Futures Margin requirements, procedures or otherwise.
- 8.2 Upon or at any time after the occurrence of any of the events specified in Paragraph 8.1, CPYF shall forthwith be entitled, without notice to the Client and notwithstanding any prior Futures Margin call has been made, to do any of the following things in its absolute discretion:
- (a) close out, perform or maintain any open Futures/Options Contract in the Futures Account and, for this purpose, make or take delivery of the underlying commodity in respect of any such Futures/Options Contract, sell Futures/Options Contract, initiate new long or short positions or do a combination or any of the foregoing;

- 8.3 Forthwith upon the occurrence of any events specified in Paragraph 8.1, all amounts owing by the Client to CPYF hereunder shall become immediately payable on demand, and interest will accrue at the rate provided in Paragraph 6.3 on the amount outstanding from time to time.
- 8.4 Forthwith upon the occurrence of any events specified in Paragraph 8.1, CPYF shall not be obliged to perform any of its obligations to the Client under this Section (whether for the payment of monies or otherwise) unless and until the Client has fully discharged all his obligations to CPYF under this Section.
- 8.5 CPYF shall have absolute discretion to choose which (if not all) open Futures/Options Contract to close out or (in respect of Options Contracts) to tender exercise instructions, and may sell any security on a single or collective basis. The Client hereby waives all claims and demands (if any) against CPYF in respect of any losses howsoever caused (except solely due to the wilful default or gross negligence of CPYF), as a result of the exercise by CPYF of the powers conferred hereunder. The Client hereby acknowledges and agrees that:

In the event that there are proceeds remaining after discharge of all the Client's liabilities to CPYF, such remaining proceeds should be paid to the Client.
- 8.7 In the event that any of the events set out in Paragraph 8.1 shall occur then the Agreement may be terminated by CPYF forthwith without notice to the Client. Any such termination shall be without prejudice to the accrued rights and obligations of the parties contained in any provisions of the Agreement which shall remain in full force and effect and shall be enforceable notwithstanding such termination.
- 8.8 The Client shall be liable for any debit or deficiencies that may exist in the Futures Account after CPYF has exercised all or any combination of its rights in Paragraph 8.2, and for any losses, costs or expenses (including legal costs) and liabilities suffered or incurred by CPYF howsoever arising from or in connection with such exercise on a full indemnity basis.

 - (c) any relevant exchange, clearing house or market ceasing for any reason to recognise the existence or validity of any Futures/Options Contract entered into by CPYF for and on behalf of the Client, or failing to perform or close out any Futures/Options Contract, provided that such cessation or failure shall not affect any of the Client's obligations hereunder in respect of any Futures/Options Contract or other obligations or liabilities of the Client arising therefrom.
- 9.2 The Client shall fully indemnify on demand CPYF, any other person appointed by it as agent or nominee and their respective directors, officers and employees against all liabilities, claims, demands, costs, expenses and damages of any kind which may be suffered or incurred by any of them and all claims, actions or proceedings which may be brought by or against them by any person including, without limitation, the persons from whom the Client receives instructions in the case of Omnibus Accounts, directly or indirectly arising out of or in connection with any Futures/Options Contract entered into by CPYF for and on behalf of the Client or otherwise howsoever arising out of or in connection with the performance of this Section by CPYF and/or the exercise of the powers and rights of CPYF under this Section or arising out of any non-performance by the Client of any of his obligations under this Section, unless such liabilities, claims or damages is caused solely by the wilful default or gross negligence of CPYF, any other person appointed by it as agent or nominee or their respective directors, officers or employees.

10. OMNIBUS ACCOUNTS

- 10.1 In the Client's dealings with the person(s) from whom the Client receives instructions with respect to the Omnibus Account, the Client shall comply with and enforce the Futures Margin and variation adjustment requirements and procedures as stipulated in the Futures Rules and the rules of the Clearing House as though the Client were a member of the Futures Exchange and as though the person(s) for whose account or benefit such instructions are given were "Clients" (as defined in the Futures Rules).
- 10.2 The Client shall cause Exchange Contracts to be entered into in fulfilment of such instructions, so that there shall, in no circumstances, be any dealing with the instructions in a manner which constitutes unlawful dealing in differences in market quotations of commodities or in a manner which constitutes or involves betting, wagering, gaming or gambling with respect to such items.
- 10.3 The Client shall impose the requirements of Paragraphs 10.1 and 10.2 above and of this Paragraph 10.3 upon, and ensure that they are complied with by, the person(s) from whom the Client receives instructions and ensure that such requirements are complied with by all persons through whom instructions pass with respect to the Omnibus Account as if each in turn was the "Client" (as defined in the Futures Rules) for whom the Omnibus Account was carried.

- 10.6 The Client will disclose to CPYF before dealing and/or trading in any futures business details of persons who are ultimately beneficially interested in the Omnibus Account and those persons or entities who are ultimately responsible for originating the instruction in relation to a transaction or such other information as the Regulators may require from time to time. The Client acknowledges that in the event that it fails to comply with this disclosure requirement, the Regulators may require CPYF to close out any or all of the open contracts held by CPYF on behalf of the Client or request the Clearing House to effect such closing out on behalf of CPYF, or the Regulators may impose such Futures Margin surcharge on any or all of the positions held by CPYF on behalf of the Client as the Regulators think fit.
- 10.7 The Client hereby agrees to submit to the supervision of CPYF to the same degree of supervision as if CPYF were the Futures Exchange and the Client were an exchange participant of Hong Kong Futures Exchange Limited and to supply all information and do all acts to enable and facilitate CPYF to comply with all the requirements of the relevant Regulators and Clearing Houses for the operation of the Omnibus Account by CPYF.
- 10.8 For the avoidance of doubt, the Client shall maintain separate Futures Margin requirements for each of its customers, and in no case may it offset or net any of its customers' positions against those of another customer for Futures Margin purposes.

SECTION V – TERMS AND CONDITIONS FOR COMMODITIES FUTURES TRADING

- 10.9 The Client hereby agrees to immediately notify CPYF in writing when the Futures Account ceases to be an Omnibus Account; such cessation shall not affect any liability whatsoever of the Client to CPYF under the Agreement prior to the receipt by CPYF of the written notice of such cessation.

- 11.3 The Client acknowledges that the Clearing House may do all things necessary to transfer any open positions held by CPYF on behalf of the Client and any money and security standing to the credit of the Futures Account with CPYF to another exchange participant of the Futures Exchange in the event the rights of CPYF as an exchange participant of the Futures Exchange are suspended or revoked.
- 11.4 All money and other property received by CPYF from the Client or from any other person (including the Clearing House) for the account of the Client shall be held by CPYF as trustee and segregated from CPYF's own assets. These assets so held by CPYF shall not form part of the assets of CPYF for insolvency or winding up purposes but shall be returned to the Client promptly upon the appointment of a provisional liquidator, liquidator or similar officer over all or any part of the CPYF's business or assets.
- 11.5 Any monies, approved debt securities or approved securities received by CPYF from the Client or from any other person (including the Clearing House) are held in the manner specified under paragraphs 7 to 12 of Schedule 4 to the SFC Code and the Client hereby authorises CPYF to apply any such monies, approved debt securities or approved securities which the Client may pay to CPYF in the manner specified in Paragraphs 14 to 15 of Schedule 4 of the SFC Code and, in particular, that CPYF may apply such monies, approved debt securities or approved securities in or towards meeting CPYF's obligations to any party insofar as such obligations arise in connection with or incidental to the business of dealing in Futures/Options Contracts transacted on the Client's behalf.

- 11.7 The Client acknowledges that CPYF is bound by the Futures Rules which permits the Futures Exchange to take steps to limit the positions or require the closing out of contracts on behalf of such clients who, in the opinion of the Futures Exchange, are accumulating positions which are or may be detrimental to any of the markets from time to time established and operated by the Futures Exchange pursuant to the Futures Rules or which are or may be capable of adversely affecting the fair and orderly operation of any such market.
- 11.8 For the avoidance of doubt, the Client hereby confirms and agrees that CPYF is permitted to retain money representing interest on money received from or for the account of the Client in relation to the business of dealing in the Futures/Options Contract and money paid or reimbursed to CPYF by the Clearing House in respect of the business of dealing in the Contracts transacted by CPYF on the instructions of the Client.
- 11.9 CPYF is required in certain circumstances to disclose the name and beneficial identity of the Client and such other information concerning the Client as required by the Regulators. The Client agrees to provide such information concerning the Client as CPYF may require in order for CPYF to comply with this requirement, and that in the event that CPYF fails to comply with the disclosure requirement under Rule 606(a) or Rule 613(a) of the Futures Rules, the Futures Exchange may require the closing out of positions on behalf of the Client or the imposition of a margin surcharge on positions of the Client.

Such interest shall be compounded monthly in the event of it not being paid when demanded but without prejudice to the relevant member of the CPY Group's right to require payment of such interest.

2.3 As a separate and independent stipulation, the Guarantor agrees that if any purported obligation or liability of the Client which would have been the subject of this Guarantee had it been valid and enforceable is not or ceases to be valid or enforceable against the Client on any ground whatsoever whether or not known to the relevant member of the CPY Group (including without limitation, any irregular exercise or absence of any corporate power or lack of authority of, or breach of duty by; any person purporting to act on behalf of the Client or any legal or other limitation of the Client) the Guarantor shall nevertheless be liable to the relevant member of the CPY Group in respect of that purported obligation or liability as if the same were fully valid and enforceable and the Guarantor were the principal debtor in respect thereof. The Guarantor hereby agrees to keep the relevant member of the CPY Group fully indemnified on demand against all damages, losses, costs and expenses arising from any failure of the Client to perform or discharge any such purported obligation or liability.

2.4 The liability of the Guarantor shall not be affected nor shall this Guarantee be discharged or reduced by reason of:

 - (c) any variation to the terms of the Agreement;
 - (d) any release, discharge, compromise or other arrangement given to or made with the Client;

 - (f) the relevant member of the CPY Group obtaining a judgment against the Client or any other person for the payment of all or any of the Guaranteed Liabilities.
- 2.5 This Guarantee shall:
- (a) secure the ultimate balance from time to time owing to the relevant member of the CPY Group by the Client and shall, subject to Paragraph 9, be a continuing security, notwithstanding any settlement of account or other matter whatsoever (including, without limitation, any restriction of any exchange upon which the Client's orders are executed or any contrary provision in any agreement now or hereafter existing between the Client and the relevant member of the CPY Group);

SECTION VIII - RISK DISCLOSURE STATEMENTS AND DISCLAIMERS

By requesting the relevant member of the CPY Group to provide the Client with the services as outlined under the Agreement, the Client has read, fully understand and agree to the following risk disclosure statements and disclaimers:-

Words and expressions defined in all other Sections of these Terms shall, except as otherwise re-defined herein or unless there is something in the subject or context inconsistent therewith, have the same meanings when used in this Section.

PART A – RISK DISCLOSURE STATEMENTS FOR CASH ACCOUNT AND MARGIN ACCOUNT

1. RISK OF SECURITIES TRADING

The prices of Securities fluctuate, sometimes dramatically. The price of a Security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling Securities.

The Client also acknowledges that there are risks in leaving Securities in the custody of the Broker or in authorising the Broker to lend the client's Securities to or deposit them with certain third parties (e.g. as collateral for loans or advances made to the Broker) under the Securities and Futures Ordinance and related rules. The Client understands that this is allowed only if he consents in writing, which consent must specify the period for which it is current and cannot exceed 12 months if he is not a professional investor. The Client also understands that he is not required by any law to sign these authorities.

2. RISK OF TRADING GROWTH ENTERPRISE MARKET STOCKS

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid.

The Client should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Current information on GEM stocks may only be found on the internet website operated by the Stock Exchange. GEM Companies are usually not required to issue paid announcements in gazetted newspapers.

The Client should seek independent professional advice if the Client is uncertain of or has not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

3. RISK OF TRADING NASDAQ-AMEX SECURITIES AT THE STOCK EXCHANGE

The Securities under the Nasdaq-Amex Pilot Program ("PP") are aimed at sophisticated investors. The Client should consult a licensed or registered person and become familiarised with the PP before trading in the PP Securities. The Client should be aware that the PP Securities are not regulated as a primary or secondary listing on the Main Board or GEM of the Stock Exchange.

PART B – RISK DISCLOSURE STATEMENTS FOR MARGIN ACCOUNT

1. RISK OF MARGIN TRADING

The risk of loss in financing a transaction by deposit of collateral is significant. The Client may sustain losses in excess of the Client's cash and any other assets deposited as collateral with the relevant member of the CPY Group. Market conditions may make it impossible to execute contingent orders, such as "stop-loss" or "stop-limit" orders. The Client may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, the Client's collateral may be liquidated without the Client's consent. Moreover, the Client will remain liable for any resulting deficit in the Client's account and interest charged on the Client's account. The Client should therefore carefully consider whether such a financing arrangement is suitable in light of the Client's own financial position and investment objectives.

2. RISK OF PROVIDING AN AUTHORITY TO REPLEDGE YOUR SECURITIES COLLATERAL ETC.

There is risk if the Client provides any member of the CPY Group with an authority that allows it to apply the Client's Securities or Securities collateral pursuant to a Securities borrowing and lending agreement, repledge the Client's Securities collateral for financial accommodation or deposit the Client's Securities collateral as collateral for the discharge and satisfaction of its settlement obligations and liabilities.

If the Client's Securities or Securities collateral are received or held by the CPY Group in Hong Kong, the above arrangement is allowed only if the Client consents in writing. Moreover, unless the Client is a professional investor, the Client's authority must specify the period for which it is current and be limited to not more than 12 months. If the Client is a professional investor, these restrictions do not apply.

Additionally, the Client's authority may be deemed to be renewed (i.e. without the Client's written consent) if the CPY Group issues the Client a reminder at least 14 days prior to the expiry of the authority, and the Client does not object to such deemed renewal before the expiry date of the Client's then existing authority.

The Client is not required by any law to sign these authorities. But an authority may be required by the CPY Group, for example, to facilitate margin lending to the Client or to allow the Client's Securities or Securities collateral to be lent to or deposited as collateral with third parties. The CPY Group should explain to the Client the purposes for which one of these authorities is to be used.

If the Client signs one of these authorities and the Client's Securities or Securities collateral are lent to or deposited with third parties, those third parties will have a lien or charge on the Client's Securities or Securities collateral. Although the CPY Group is responsible to

SECTION VIII - RISK DISCLOSURE STATEMENTS AND DISCLAIMERS

the Client for the Client's Securities or Securities collateral lent or deposited under the Client's authority, a default by it could result in the loss of the Client's Securities and Securities collateral.

A cash account not involving Securities borrowing and lending is available from the CPY Group. If the Client does not require margin facilities or does not wish the Client's Securities or Securities collateral to be lent or pledged, the Client should not sign the above authorities and ask to open this type of cash account.

PART C – RISK DISCLOSURE STATEMENT AND DISCLAIMERS FOR FUTURES ACCOUNT AND OPTIONS TRADING

This brief statement does not disclose all of the risks and other significant aspects of trading in Futures/Options Contracts. In light of the risks, the Client should undertake such transactions only if the Client understands the nature of the Futures/Options Contracts (and contractual relationships) into which the Client is entering and the extent of the Client's exposure to risk. Trading in Futures/Options Contracts is not suitable for many members of the public. The Client should carefully consider whether trading is appropriate for the Client in light of the Client's experience, objectives, financial resources and other relevant circumstances.

1. RISK OF TRADING FUTURES AND OPTIONS

The risk of loss in trading Futures/Options Contracts is substantial. In some circumstances, the Client may sustain losses in excess of the Client's initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. The Client may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, the Client's position may be liquidated. The Client will remain liable for any resulting deficit in the Client's account. The Client should therefore study and understand Futures/Options Contracts before the Client trades and carefully consider whether such trading is suitable in the light of the Client's own financial position and investment objectives. If the Client trades options the Client should inform itself of exercise and expiration procedures and the Client's rights and obligations upon exercise or expiry.

2. FUTURES CONTRACTS

2.1 Effect of "Leverage" or "Gearing"

Transactions in Futures Contracts carry a high degree of risk. The amount of initial margin is small relative to the value of the Futures Contracts so that transactions are "leveraged" or "geared". A relatively small market movement will have a proportionately larger impact on the funds the Client has deposited or will have to deposit: this may work against the Client as well as for the Client. The Client may sustain a total loss of initial margin funds and any additional funds deposited with CPYF to maintain the Client's position. If the market moves against the Client's position or margin levels are increased, the Client may be called upon to pay substantial additional funds on short notice to maintain the Client's position. If the Client fails to comply with a request for additional funds within the time prescribed, the Client's position may be liquidated at a loss and the Client will be liable for any resulting deficit.

2.2 Risk-reducing orders or strategies

The placing of certain orders (e.g. "stop-loss" orders, or "stop-limit" orders) which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

3. OPTIONS CONTRACTS

3.1 Variable degree of risk

Transactions in Options Contracts carry a high degree of risk. Purchasers and sellers of Options Contracts should familiarise themselves with the type of Options Contracts (i.e. put or call) which they contemplate trading and the associated risks. The Client should calculate the extent to which the value of the Options Contracts must increase for the Client's position to become profitable, taking into account the premium and all transaction costs.

The purchaser of Options Contracts may offset or exercise the Options Contracts or allow the Options Contracts to expire. The exercise of an Options Contract results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the Options Contracts is on a Futures Contract, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures Contracts above). If the purchased Options Contracts expire worthless, the Client will suffer a total loss of the Client's investment which will consist of the option premium plus transaction costs. If the Client is contemplating purchasing deep-out-of-the-money Options Contracts, the Client should be aware that the chance of such Options Contracts becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an Options Contract generally entails considerably greater risk than purchasing Options Contracts. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the Options Contract and the seller will be obligated to either settle the Options Contract in cash or to acquire or deliver the underlying interest. If the Options Contract is on a Futures Contract, the seller will acquire a position in a Futures Contract with associated liabilities for margin (see the section on Futures Contracts above). If the Options Contract is "covered" by the seller holding a corresponding position in the underlying interest or a Futures Contract or another Options Contract, the risk may be reduced. If the Options Contract is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the Options Contract is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

4. ADDITIONAL RISKS COMMON TO FUTURES AND OPTIONS**4.1 Terms and conditions of contracts**

The Client should ask the Broker and/or CPYF about the terms and conditions of the specific Futures/Options Contracts which the Client is trading and associated obligations (e.g. the circumstances under which the Client may become obliged to make or take delivery of the underlying interest of a Futures Contract and, in respect of Options Contracts, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an Options Contract) may be modified by the Exchange, Futures Exchange or Clearing House to reflect changes in the underlying interest.

4.2 Suspension or restriction of trading and pricing relationships

Market conditions (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g. the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If the Client has sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the Futures Contracts, and the underlying interest and the Options Contracts may not exist. This can occur when, for example, the Futures Contract underlying the Option Contract is subject to price limits while the Option Contract is not. The absence of an underlying reference price may make it difficult to judge "fair value".

4.3 Deposited cash and property

The Client should familiarise himself with the protections given to money or other property the Client deposits for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which the Client may recover the Client's money or property may be governed by specific legislation or local rules. In some jurisdictions, property which had been specifically identifiable as the Client's own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

4.4 Commission and other charges

Before the Client begins to trade, the Client should obtain a clear explanation of all commission, fees and other charges for which the Client will be liable. These charges will affect the Client's net profit (if any) or increase the Client's loss.

4.5 Transactions in other jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose the Client to additional risk. Such markets may be subject to regulation which may offer different or diminished investor protection. Before the Client trades the Client should enquire about any rules relevant to the Client's particular transactions. The Client's local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where the Client's transactions have been effected. The Client should ask the Broker and/or CPYF for details about the types of redress available in both the Client's home jurisdiction and other relevant jurisdictions before the Client starts to trade.

4.6 Currency risks

The profit or loss in transactions in foreign currency-denominated contracts (whether they are traded in the Client's own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

4.7 Trading facilities

Electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. The Client's ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house, the Broker and/or CPYF. Such limits may vary: the Client should ask the Broker and/or CPYF for details in this respect.

4.8 Electronic trading

Trading on an electronic trading system may differ from trading on other electronic trading systems. If the Client undertakes transactions on an electronic trading system, the Client will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that the Client's order is either not executed according to the Client's instructions or is not executed at all.

4.9 Off-exchange transactions

In some jurisdictions, and only then in restricted circumstances, firms are permitted to effect off-exchange transactions. The Broker and/or CPYF may be acting as the Client's counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before the Client undertakes such transactions, the Client should familiarise himself with applicable rules and attendant risks.

SECTION XI – PILOT PROGRAMME FOR TRADING US SECURITIES

Words and expressions defined in the Section headed General Terms and Conditions of these Terms shall, except as otherwise re-defined herein or unless there is something in the subject or context inconsistent therewith, have the same meanings when used in this Section.

Informational Documentation For Clients of Exchange Participants

The material contained herein is for general information and investors should only consider participating in the Pilot Programme if they have sufficient means and resources to acquire and understand the relevant product and market information regarding the Programme which is published on or distributed via the Internet in English.

■ **INTRODUCTION**

The Stock Exchange of Hong Kong (the Exchange) is introducing a special arrangement for the trading of global Securities in Hong Kong (HK) called the Pilot Programme (PP). Initially, a small number of large established Securities with track record listed on the National Association of Securities Dealers Automatic Quotations (Nasdaq) and the American Stock Exchange (Amex) are to be quoted on the Exchange under this arrangement.

The PP Securities are aimed at sophisticated investors. You should consult your broker and become familiarised with the PP before trading in the PP Securities.

■ **MAIN CHARACTERISTICS OF PILOT PROGRAMME SECURITIES**

- ♦ Listed on Nasdaq or AMEX;
- ♦ May also include a number of exchange traded funds (ETFs);
- ♦ Are not regulated as a primary or secondary listing on the Exchange's Main Board or GEM;
- ♦ They are admitted into the Exchange for trading only;
- ♦ Trading on the Exchange is regulated by HK law and Exchange rules and in particular, the Securities are subject to the market misconduct provisions of the Securities and Futures Ordinance;
- ♦ In general, suspension and resumption of trading on PP Securities will follow that of the home market but the Hong Kong Securities and Futures Commission (SFC) and the Exchange retain the right to suspend, halt trading and remove any security from trading;
- ♦ There will be no public offering of PP Securities in HK;
- ♦ For a full list of the PP Securities, you are advised to refer to the Exchange's website (<http://www.hkex.com.hk>).

■ **TRADING AND SETTLEMENT ARRANGEMENT**

- ♦ Trading currency - In HK, these Securities are traded and settled in HK or US dollars although they are traded and settled in US dollars in the US.
- ♦ Stock codes - To differentiate the PP Securities from other Securities in the Exchange's Main Board and GEM, the stock codes of these Securities are within the 4331 to 4430 range.
- ♦ Board lots - The Securities are traded in board lots ranging from ten to one hundred shares per board lot depending on the price of the Securities at the time of admission to trading. You can access the Exchange's website for information on board lot sizes when the Securities commence trading in HK.
- ♦ Trading spread - The trading spread follows those of HK Securities and you can refer to the Second Schedule of the Rules of the Exchange or the Exchange's website for details.
- ♦ Short selling - Securities under PP are eligible for short selling with the tick rule.
- ♦ Settlement - These Securities follow the standard T+2 settlement period by Continuous Net Settlement in CCASS, the central clearing and settlement system operated by Hong Kong Securities Clearing Company Limited (HKSCC), for trades concluded on the Exchange. You should note that the US settlement period is T+3.
- ♦ CCASS rules - All CCASS rules for clearing, settlement, custodian and nominee services apply to the PP Securities.
- ♦ Trading mechanism - As with HK Securities, the PP Securities are traded through the Exchange's Automatic Order Matching and Execution System (AMS) under an order-driven and automatching mechanism. Designated market makers for PP Securities may participate in AMS to provide two-way prices on the AMS order book. Market making is continuous and competitive.
- ♦ Trading by overseas investors - Overseas investors should note and comply with the applicable regulatory restrictions in their country of domicile governing purchases or sale of overseas Securities prior to trading the PP Securities on the Exchange.

■ **INFORMATION DISSEMINATION AND DISCLOSURE OF FINANCIAL INFORMATION**

You are advised to obtain information on filings relating to the PP issuers from multiple sources as the information / filings are delivered on a best endeavour basis. The following are, among others, information channels for the PP Securities:

Issuers' disclosure

- ♦ Issuers' websites, Nasdaq's website (www.nasdaq.com), Amex's website (www.amex.com) and other third party websites which may or may not be hyperlinked from the Exchange's website;
- ♦ EDGAR, the Electronic Data Gathering, Analysis and Retrieval system website (www.sec.gov), which contains all US issuers' filings to the US Securities and Exchange Commission.

Note: You should note that like its US counterpart, the Exchange is not in a position to verify the accuracy of the information disclosed. In addition, third party reports and analysis reflect the views of their authors or commentators.

SECTION XI – PILOT PROGRAMME FOR TRADING US SECURITIES

Trading data of PP Securities in HK

- ♦ Market prices and turnover of the PP Securities traded on the Exchange can be accessed through brokers, newspapers and information service providers similar to that of HK Securities.
- ♦ PP Securities' US market data are available on the Nasdaq or Amex website.
- ♦ PP Securities' US market closing prices and turnovers are disseminated by the Exchange to Exchange Participants and information vendors.

■ SHARE REGISTRATION AND OTHER SERVICES

In some areas, share registration and related services are substantially different from those of other Securities. The following are noteworthy:

- ♦ Securities of the PP issuers quoted in HK are fungible to those in the US and shareholders can transfer their Securities in the US for sale in HK and vice versa.
- ♦ PP issuers do not have to appoint any share registrar in HK and all Securities in HK are held under HKSCC's account with US Depository Trust Co. (DTC). Owners of these Securities in HK are not registered shareholders but have beneficial interest in the Securities.
- ♦ All owners of the Securities may request issuance of physical scrip, if available, indirectly through HKSCC. The issuance process normally takes much longer time than for HK Securities. In addition, HKSCC does not offer deposit service for these Securities and physical scrips can only be deposited through brokers offering such services.
- ♦ Similar to HK Securities, odd lots may be created during corporate action on share splitting or consolidations.
- ♦ Beneficial owners of the Securities held under HKSCC participants can collect their dividends, if any, in either HK or US dollars, at their option. However, for dividend collection, HKSCC may require the shareholders to declare whether they are US taxpayers, for reporting to the US authorities.
- ♦ As the Exchange is not providing trading counters for warrants, rights or debt issues of the Securities quoted under PP, beneficial owners of these additional Securities, if declared by the issuer, may transfer them to brokers or custodians who are DTC participants or to sell or redeem the Securities in the US market on their behalf as part of HKSCC's nominee service.

■ FEES AND CHARGES

The following table illustrates the particulars on fees and charges relating to the PP Securities. For the latest HKSCC fees and charges, please refer to the Exchange's website (<http://www.hkex.com.hk>).

Withholding tax	Will be collected by HKSCC's agent in the US on dividends paid on PP Securities held under HKSCC. Refund of the withholding tax may be a complex and time-consuming process. For other investors, they should approach the Broker or custodians, who will request and obtain the confirmation from HKSCC on their behalf.
Capital gains tax	Apply to US taxpayers who are beneficial owners of US Securities (including the PP Securities) but not to non-US taxpayers.

Stock withdrawal fee	\$600 per instruction plus out-of-pocket expenses incurred by HKSCC. The fee also applies to the withdrawal of Securities entitlements accruing from PP Securities which are not eligible Securities.
Handling fee for warrant conversions, voluntary takeovers, tender offers, or open offers	\$600 per instruction plus out-of-pocket expenses incurred by HKSCC
Cross-border transfer fee for receipts / deliveries of PP Securities *	\$200 per receipt / delivery instruction plus out-of-pocket expenses charged to HKSCC by DTC in which the Securities are transferred to or from HKSCC.
